***Balance of trip cost is due February 1. An invoice will be mailed to you in January. If you have reserved after this date, your balance is due in 30 days.**

Refund Policy: Due to our limited trip size and short floating season, all fees are non-refundable if cancelled after February 1. However, if you must cancel, we will make every effort to refill the vacancies and refund all monies received. We have made the purchase of trip cancellation insurance mandatory. A trip insurance packet will be sent out with your confirmation packet. (Note: all group charter deposits are non-refundable after December 31). A \$50.00 per person administrative fee will be accessed on all reservations cancelled. Middle Fork Wilderness Outfitters reserves the right to cancel any trip if necessary due to weather or water conditions.

Boat Preference: We take oar boats, paddle boats and inflatable kayaks on our trips. Our guests take turns in the oar boats and paddle boats and are free to try the inflatable kayaks if they choose.
